

## Rolling in the Deep *Adele*

### VERSE 1

There's a fire starting in my heart  
Reaching a fever pitch, it's bringing me out the dark  
Finally I can see you crystal clear  
Go 'head and sell me out and I'll lay your ship bare  
See how I leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch  
And it's bringing me out the dark

The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling

### CHORUS

We could have had it all  
**(You're gonna wish you/ never had met me)**  
Rolling in the deep  
**(Tears are gonna fall/ rolling in the deep)**  
You had my heart inside of your hand  
**(You're gonna wish you/ never had met me)**  
And you played it/ to the beat  
**(Tears are gonna fall, rolling in the deep)**

### VERSE 2

Baby, I have no story to be told  
But I've heard one on you  
And I'm gonna make your head burn  
Think of me in the depths of your despair  
Make a home down there  
As mine sure won't be shared

### VERSE 3

Throw your soul through every open door **(woah)**  
Count your blessings to find what you look for **(woah)**  
Turn my sorrow into treasured gold **(woah)**  
You'll pay me back in kind and reap just what you sow (woah)
